SHOP & MOBILE WELDING

BUILT ON HARD WORK, INTEGRITY, AND A PASSION FOR THE CRAFT.

Zion Fabrication is a full-service welding and fabrication company serving the Dallas–Fort Worth area. We execute structural steel, industrial welding, and custom fabrication scopes for contractors, developers, and industrial clients.

Every project begins with a clear understanding of scope, specifications, and timeline — then we deliver results that meet the demands of the job. Equipped for both shop work and mobile welding, we support projects on-site or in-house.

<p>01</p> <h2>QUALITY CRAFTSMANSHIP</h2> <p>Every weld, every cut, every finish held to the highest standard. Clean, strong, built right the first time.</p>	<p>02</p> <h2>HONEST COMMUNICATION</h2> <p>Straight answers on what your project needs, what it will cost, and when it will be done. No surprises.</p>
<p>03</p> <h2>CUSTOMER-FIRST</h2> <p>We work with you — not just for you — to ensure the final product meets your specs and site requirements.</p>	<p>04</p> <h2>COMMUNITY ROOTS</h2> <p>DFW is home. We're committed to building lasting relationships with the people and businesses around us.</p>
